Outlook  
Lisa,

When Paula originally asked the library to forward the latest news headlines, she didn't include you in the email address list to receive them. I don't know if that's because she was swamped and just overlooked your name or if she didn't think you'd need these. Right now it goes to Rich, Laura, Libby, Rebecca and Paula. Let me know if you'd like to be added to Lydia's list. Thx.
